- 27.3 If the rental of the Safety Deposit Box for an indefinite period arises during the calendar year, then in the first year of rent, the fee per calendar month is 1/12 the annual fee rates, also calculating the month in which the rental of the Safety Deposit Box began. You will pay each subsequent annual fee by 31 January of the relevant calendar year at the latest, in the amount specified in the Fee Rates applicable on 1 January of the year in question.
- 27.4 The fee is charged to the Account. By entering into a Contract or a contract for the rental of a Safety Deposit Box, you consent to the debiting of the amount of the fee from the Account. If J&T Banka does not manage an Account for you, you will pay the fee on the day of the beginning of the rental, either in cash or by cashless transfer in favor of J&T Banka at the account No. 0002009375/5800. To identify your payment as a variable symbol, enter your birth number and specify your number as "yyyynnnn" as the specific symbol, where "yyyy" is the year for which the fee is covered and "nnnn" is the number of the Safety Deposit Box.
- 27.5 If you lose or damage the key or the Safety Deposit Box, or if the Safety Deposit Box needs to be forcibly opened and a lock replacement required, J&T Banka will pay the replacement cost of the lock for the Safety Deposit Box. You will pay such costs to J&T Banka within 14 (fourteen) days of the date of the invoice.
- 27.6 You must not use the Safety Deposit Box to store weapons, ammunitions, explosive, easily inflammable and flammable or otherwise dangerous items, perishable items or items that would be in breach of legal regulations or general interest. The Safety Deposit Box is no longer designed to store objects whose storage requires special climatic conditions or the stability of a magnetic field. You must not leave the Safety Deposit Box to be used by a third party.
- 27.7 You are responsible for the keys from the Safety Deposit Box issued to you. You and your authorized persons must comply with J&T Banka's instructions on using the Safety Box and handling the key.
- 27.8 You can authorize other people with access to the Safety Deposit Box or to takeover keys from the Safety Deposit Box. You must render the authorization in writing. Authorized persons are fully subject to the provisions of these Business Terms and Conditions. If there is nothing else out of the context of the provision wherever you are mentioned in this

article, it is also understood by your authorized person. You are responsible for the actions of the authorized person.

- 27.9 You will be able to access the Safety Deposit Box during Hours of Operation. Outside the Hours of Operation, you can only access the Safety Box after prior agreement with J&T Banka. Before accessing the Safety Deposit Box, you must enable J&T Banka to perform an Authentication of your identity. On visiting the Safety Deposit Box, J&T Bank will create a Visitor's Card, which you sign in accordance with the Signature Pattern.
- 27.10 Upon termination of the rental, J&T Banka will provide you with a safety deposit box and keys, in an intact state, consistent with normal wear and tear. If you release the Safety Deposit Box, J&T Banka will return the proportionate amount of the fee on the basis of the issued credit note for the period from the first (1) day of the following calendar month to the end of the paid period.
- 27.11 J&T Banka protects the Safety Deposit Box and its contents against theft or damage. Because J&T Banka is not responsible for the stability of climatic conditions or the stability of the magnetic field, J&T Banka is not responsible for the damages caused by these effects.
- 27.12 If J&T Banka has reason to suspect that you are using the Safety Deposit Box to store items that you should not store in the Safety Deposit Box, J&T Banka is authorized to ensure in your presence that you are not violating the provisions of these Business Terms and Conditions. In exceptional cases (smoke, smell, suspicious sounds), J&T Banka is authorized to open the Safety Deposit Box even without your presence in accordance with these Business Terms and Conditions.
- 27.13 J&T Banka is responsible for allowing access to the Safety Deposit Box only to you and the persons authorized by you. J&T Banka will enable access to the Safety Deposit Box after the Verification of identity has been executed. If J&T Banka has any doubts as to the identity of the visitor requesting access to the Safety Deposit Box, J&T Banka has the right to refuse access to the Safety Deposit Box when performing the Verification of identity.
- 27.14 If J&T Banka has executed the Authentication of the identity of the person requesting access to the Safety Deposit Box, J&T Banka is not responsible for damages caused by the unauthorized handling of the Safety Deposit Box. J&T Banka is not responsible for any damages caused by you or your authorized person; J&T Banka is not particularly responsible for damages resulting from the fact that you or your authorized person not locking the Safety Deposit Box properly.
- 27.15 Based on the insurance contract concluded between J&T Banka and the relevant insurance company, the valued items deposited in the Safety Deposit Box are insured. The insurance has the character of All Risk property insurance and is negotiated as part of the insurance of the vault in which the safety deposit boxes are located.
- 27.16 The design of the Safety Deposit Box allows opening only when two locks are opened at the same time. Only an employee authorized by J&T Banka opens the lock with one key (the electronic key). The key from the second lock (mechanical key) is in your possession. J&T Banka guarantees that there is no other key for the lock of your Safety Deposit Box that you will not be given. You must not let other keys to the Safety Deposit Box to be made.
- 27.17 If one or both keys are lost, you must report the loss to J&T Banka immediately. J&T Banka will then, at your own expense, secure the professional opening of the Safety Deposit Box, the changing of the lock and the creation of a new key(s). The professional forced open of the Safety Deposit Box is performed in your presence and during the repair you have the contents of the Safety Deposit Box in your own custody.
- 27.18 If you do not empty the Safety Deposit Box on the last day of the rental period (i.e., the last day of the notice period or immediately after receipt of the immediate notice or the last day of the fixed term contract or the date we have agreed), J&T Banka has the right to force open the Safety Deposit Box. This forced opening of the J&T Banka Safety Box will be performed on a commission basis by two authorized employees and other non-participating persons (e.g. notary, municipal office worker, police). J&T Banka creates a statement on the forced opening and contents of the Safety Deposit Box and then takes the contents of the Security Box into custody. A copy of the statement on the opening of the Safety Deposit Box will be sent to you by J&T Banka by registered mail at your Correspondence Address.
