

Price list of J&T Banka, a. s.

Legal persons / Natural persons – entrepreneurs

Valid from 1 July 2021

The Price list applies to banking services provided to clients – legal persons / natural persons – entrepreneurs. Fees are charged according to the current exchange rate list of J&T Banka, a. s., in the currency in which the account is maintained or in which the investment instrument that is the subject of the transaction is denominated. They are listed including VAT, if they are subject to VAT. Any other services and products not listed in this Price list are charged individually with regard to the nature of the transaction.

Banking Products

Current Accounts	
Establishment of an account, maintenance of an account and termination of an account, sending of a Statement from an account	free of charge
Deposits	
Establishment of a Deposit, maintenance of a Deposit and termination of a Deposit, sending of a Statement from a Deposit	free of charge
An increase in total Deposits of the Client of over CZK 25 million. The fee equals the multiple of the fee rate and the basis for fee calculation minus CZK 25 million. The basis for fee calculation is based on the difference between the total volume of Deposits of the Client as at 31 December of the relevant year and as at 1 November of the relevant year. The basis is made of Deposits of the Client maintained in Current Accounts, Notice Deposit Accounts and Deposit Sub-Accounts (accounts for cash maintaining of Clients on the basis of a commission agreement) in any currency. The fee is charged annually, and it can be charged on any account of the Client during January the following year. In converting foreign currencies into CZK, the Czech National Bank's exchange rate valid on 31 December of the relevant year is used. If the basis for fee calculation is negative or lower than CZK 25 million (inclusive), the fee does not apply.	0,5 %

A fee is charged when a trade is executed. The calculation is based on the total value of the actually executed volume of a trade. In the case of a regular investment in the method of payment of fees for procuring a purchase „Gradually“, the basis for calculating the fee is the planned total amount of the investment, the fee is charged from the first payments until full payment of the fee. Distribution of funds into categories I., II. and III. and an overview of funds for which an exit fee is applied is available on the website www.jtbank.cz, in the Price Lists section.
